What information did you find most useful? Please share your comments in 30 words or less about the program

It was all wonderful. - *Jo Ann McFarland, Georgetown, TX*

All tech information is useful as I am in need of as much technology information and training I can get.

Technology update

Using common software like Outlook and Word to help increase your productivity was a great lesson. Also other ways to use cell phone technology. - *Bobby, Midland, Tx*

Great program - appreciated the "real life" application.

Everything! - *Janice Hurst, Austin, TX*

Great class. Pefect class for what I need to buy to be in the top tech people in real estate. - *Tom, White*

GENERAL COMMENTS:

I wish we would have spend less time on the web stuff so that there was more time to devote to some of the other areas.

You should offer a more advanced technology/social media class. Regardless, I did get some good nuggets from this class.

Thank You for bringing this course to Austin, TX - *Jo Ann McFarland, Georgetown, TX*

Mark was excellent, I thought I knew quite a bit until I took his course! I would highly recommend a class with Mark. - *Nancy Pasnik, Austin, TX*

I have had my real estate license for 20 years and Mark Porter is by far, one of the best - content, communication, exciting, easy to understand. - *Janice Hurst, Austin, TX*

Mark Porter is fantastic and he helps you stay on the edge of technology. - *Tom, White*
